Product Description

Adventure 1880 is a stand-alone role-playing game based on the tried and tested MIDGARD rules system. This new edition finally brings the 1994 classic back onto the market in a new, contemporary guise for a new audience! The new edition carefully "modernises" the original rules, bringing them into line with the current MIDGARD rules. In addition, there are some completely new elements that fit harmoniously into the rules and contribute even more to bringing the role-playing game in Victorian and Wilhelmine times to life. Authors: Heinrich Glumpler, Jürgen E. Franke and Rainer Nagel. 112 pages, softcover.
