### Product Description

Have fun mixing these 9 watercolour inks to create beautiful gradients and see the 3 masked illustrations magically appear. With each added colour, magnificent dolphins will be brought to life. Dolphins know how to charm us with their intelligence and their playfulness! Thanks to these 3 illustrations, dive at the heart of the ocean to swim with them and use your Aquarellum palette to create the perfect colour harmony! The Aquarellum range will help artists of all ages and levels discover the pleasures of watercolour painting and colour mixing all the while creating true masterpieces! This painting technique will allow all ages to easily create beautiful works of art. Here is its recipe for success:- Highly qualitative, thick vellum paper, perfect for watercolour painting as the paper will not crinkle.- Illustrations with masked outlines that will magically appear at each brush stroke. They will keep the paint from adhering to the masked surfaces.- Watercolour inks that mix perfectly and that can be overlaid to create beautiful gradients.- A detailed instruction sheet on the perception and the mixture of colours.- A made in France concept. This is the perfect arts & crafts activity to initiate young children to the art of painting and mixing colours, all the while awakening their sense of concentration. The result is guaranteed to encourage artists of all levels and ages in their creative process. Refills are available. An eco-friendly product. This range is manufactured in France and eco-designed to allow all ages to have fun all the while respecting the environment and future generations. Here are the eco-friendly measures that were carried out to develop this range:- Paint jars made of 70% recycled PET- Non-toxic water based inks- A palette made of 70% recycled material - A cardboard box made of at least 80% recycled material FSC certified- FSC certified boards- 98 % of the value of this product is made in France Content of the box - 3 masked illustrations of 32.5 x 25cm - 1 top quality watercolour paint brush - 1 palette to mix your colours - 9 non-toxic watercolour inks - 1 dropper to mix the colours Eco conception- Paint jars made of 50% recycled PET - Non-toxic water based inks - A cardboard box made of at least 89% recycled material FSC certified - Palette made from 50%, 60%, or 70% recycled material, depending on the model - FSC certified boards - 98% of the value of this product is manufactured in France
