Product Description

Whether for your tabletop miniatures on 32 mm, 40 mm or 50 mm bases or for your Ubisoft Heroes - with these three Feldherr presentation columns made of sturdy plastic, every model in your collection gets the attention it deserves. The 70 mm high columns are ideal for presenting individual figures, and thanks to the various ring inserts, figures of different sizes can be used. The set is compatible with figures from various tabletop and board game systems (Warhammer Age of Sigmar, Warhammer 40000, Malifaux, Hordes, Warmachine) on:- 50 mm round bases- 40 mm round bases- 32 mm round bases. Also compatible with:- Ubisoft Heroes figures- The columns not only cut a fine figure on the shelf, but are also ideal as terrain pieces or as a focal point for dioramas. The set includes:- 3 plastic pillars for miniatures on 50 mm bases- 3 plastic adapter ring inserts for miniatures on 40 mm bases- 3 plastic adapter ring inserts for miniatures on 32 mm bases- 3 plastic adapter ring inserts for Ubisoft Heroes figures. Dimensions of each pillar:- Each pillar measures: 56 mm long x 56 mm wide x 70 mm high- Diameter of the recess: approx. 50 mm x 4 mm. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.- thermoplastic- made from renewable raw materials- no assembly required- 3D printed in Germany
