Product Description

Lords of Waterdeep offers intrigue and adventure in the world of Dungeons and Dragons. But character and resource management can be a real challenge. Don't worry, we have the solution! With the affordable package consisting of 5 hero dashboards for "Lords of Waterdeep" you always have everything important in view. Nothing slips and the game accessories are always to hand. - 5 practical dashboards for Lords of Waterdeep, which can also be used with the "Skulls and Scoundrels" expansion. - The plastic player boards simplify character and resource management and keep the game table tidy. - The dashboards offer everything at a glance, clearly structured and without long searches. - You can insert the player mats into the plastic housings of the dashboards. This not only extends the life of the mat, but also gives you different sorting options. - Don't reveal your true identity to anyone - Hide your character cards in a secret compartment on the underside of the boards. - Money and power always in view - On both sides of the housing you can easily attach token trays with Victory Point tokens and gold via a slot-in mechanism. - Completed quests have their own storage compartment. This means you always know which quests have been completed and which are still open. But be careful, your opponents' eyes and ears are everywhere. - The cards also fit with protective sleeves* (max. external dimensions: 95 x 68 mm) Stable adventurers - The grid base holds the adventurers' cubes firmly in the dashboard and prevents them from slipping. - There is an extra slot for placing the 5 gold pieces and Adventure Caravan tokens. - Additional compartments are available for Agent meeples, Corruption tokens, 100 VP tokens and Ambassador/First Player. Dimensions: - Each dashboard measures: 244 mm x 128 mm x 10 mm high. - A token tray measures: 102 mm x 35 mm x 7 mm high. - Made of thermoplastic plastic. thermoplastic- made from renewable raw materials- no assembly required - ready to play- 3D printed in Germany- As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. *-Tested with premium card sleeves from Ultra Pro and GameGenic
