📄 Product Description

Artists will love adding extravagant colours to these cute cats.With a few drops of paint, all children can create true masterpieces! Aquarellum Junior is a painting technique that enables all ages to create beautiful works of art effortlessly. Here is the recipe for success:- High-quality, thick parchment paperthat is perfect for watercolour painting as it does not crease.- Illustrations withmasked outlines thatappear as if by magic with every brushstroke. They prevent the paint from sticking to the masked areas so that the children can only paint within the lines!- Watercolour paintsthatmix perfectly and can be layered to create beautiful colour gradients.- Detailed instructions on howto perceive and mix the colours.- A concept made in France.This is the perfect craft to introduce young children to the art of painting and mixing colours while awakening their sense of concentration. The result is guaranteed to inspire artists of all levels and ages in their creative process.Refill packs are available.An eco-friendly productThis range is made in France and designed to be eco-friendly so that all ages can have fun while respecting the environment and future generations.
