### Product Description

Have fun mixing the 9 watercolours to create beautiful colour gradients and paint the intricate patterns of these original animals. Each colour added magically creates magnificent, intricate patterns. Thanks to the contents of this creative set, you'll have lots of fun painting these original animals with intricate, intricate patterns! Use your Aquarellum palette to create the perfect colour harmony! The Aquarellum palette helps artists of all ages and levels to discover the joys of watercolour painting and colour mixing while creating true masterpieces! This painting technique allows all ages to create beautiful works of art with ease. Here is the recipe for success:- High quality, thick parchment paper that is perfect for watercolour painting as it does not crease.- Illustrations with masked outlines that appear as if by magic with every brushstroke. They prevent the paint from sticking to the masked areas.- Watercolour paints that blend perfectly and can be layered to create beautiful colour gradients.- A detailed guide on how to perceive and mix the colours.- A "Made in France" concept. This is the perfect craft activity to introduce young children to the art of painting and mixing colours while awakening their sense of concentration. The result is guaranteed to inspire artists of all levels and ages in their creative process. Refill packs are available. An eco-friendly product. This range is made in France and is designed to be eco-friendly to provide fun for all ages while protecting the environment and future generations. Here are the eco-friendly measures implemented in the development of this range:- Paint pots made from 70% recycled PET- Non-toxic water-based paints- A pallet made from 70% recycled material- A cardboard box made from at least 80% recycled material FSC-certified- FSC-certified boards- 98% of the value of this product is made in France
