Product Description

DESCRIPTIONTegu Baby & Toddler toys are the perfect introduction to the wondrous world of Tegu. Specially designed for the tiny hands and budding imaginations of children aged 12 months to 3 years, these toys encourage playful experimentation and the joy of discovery. Twist and pull this spinning beetle to experience the magic of magnets! Turn the wings and then fold them back again to hear the magnets 'click' into place. Experiment with elastic tension! Thanks to the internal elastic cord, children can experiment with the tension as the bugs fly away with their imagination. The Swivel Bugs are easy for little hands to pick up and take with them on any adventure. Whether in the garden or the supermarket, these bugs are always ready for action! - Includes 1 piece. - Fully compatible with ALL other Tegu magnetic wooden blocks. - Ingeniously simple and heirloom quality toy that will last for generations. - Curious, attractive and perfect for anyone looking for toys that encourage open-ended and unplanned play. - Naturally safe: no lead, no plastic, non-toxic water-based paint, no small parts. - Sustainably sourced, FSC-certified hardwood from Honduras. - Suitable for children 12 months and older. **Features:** - Origin: Designed in the USA, made in Honduras. - Materials: Eco-friendly, sustainably sourced hardwoods. Safe, non-toxic water-based finishes (for colours and clear coats). As a vertically integrated company, we know our supply chain and suppliers intimately. - Size: The dimensions of the packaging are 0.98 x 5.11 x 6.89 inches. The total weight is 0.19 pounds. - Packaging: Tegu blocks are packaged in a beautifully designed box. - Safety: This product meets most international safety requirements for toys, including regulations in the United States (CPSIA), Europe (EN71) and Canada (Health Canada, except Quebec). - Quality: Tegu blocks are heirlooms that are passed down from generation to generation. They are a modern twist on a beloved classic.
