Product Description

Colour and make your own dreamcatchers and discover the magic of shrink plastic in the process. Enjoy this fun activity to make 3 dreamcatchers from shrink plastic and cotton strings. Colour in the printed and pre-cut designs on the plastic sheets before placing them in the oven at 180 °C. A few minutes later, the illustrations will have shrunk 7 times their size and thickened into beautiful, solid shapes! You can now assemble your dream catchers using the cotton strings provided. You can also use the sheet provided to create your own designs! Box contents- 3 heat-shrinkable plastic sheets with pre-cut illustrations- 1 simple heat-shrinkable plastic sheet- Coloured cotton yarn- 10 coloured crayons Eco-concept- Box made from at least 89% recycled cardboard
