Product Description

A fascinating creative activity to help children discover sand art by adding texture and colour to illustrations of amazing butterflies. Butterflies have beautiful patterns on their wings! Have fun imagining their colours with the provided pots of sand! Sablimage is a fun arts & crafts range that was specially designed so that you children can easily and freely create sand art, without making a mess. Each kit contains:- 4 highly qualitative, thick and pre-cut adhesive boards with a protective layer, perfect for children, even the younger ones, to easily peel off each section of the illustration.- Illustrations with printed outlines, so that children can easily spot the illustration and the different sections to peel off.- A small plastic knife to help children peel off the different sections of the illustrations.- More than 15 pots of coloured sand so that children can have a wide range in choice of colour, and enough sand to finish all the boards provided in the kit.- A made in France activity. Just remove the pre-cut protective surface and sprinkle over the different colours of sand. With every added colour, each illustration will come to life and turn into a true masterpiece. A fun, perfect and guaranteed result for artists of all ages! Content of the box - More than 15 small pots of coloured sand - 4 precut adhesive boards
