Product Description

Quilling Art - Au Coeur des Fleurs Initiate yourself to the art of Quilling by enhancing an illustrated base with twirled coloured paper strips! Beautiful flower bouquets will then come to life! Thanks to this creative kit, discover the art of Quilling by creating beautiful flower bouquets with multicoloured, rolled-up paper strips. Quilling is a creative technique that consists in rolling thin strips of multi-coloured paper before shaping and assembling them into an intricate work of art with a little glue. Just follow the printed guide of the illustration and, with each added paper roll, a beautiful masterpiece will come to life. This kit provides all the necessary elements to help you easily discover this fun arts & crafts activity.
