Product Description

On repeated raids through Paris at night, you try to get hold of the most valuable items - jewellery, money, works of art or precious stones ... as long as they're valuable! The more daringly you steal through the alleyways, the more you can get your hands on, provided the police don't catch you. But the police aren't the only danger you have to watch out for. Your fellow gang members will use every opportunity to double-cross you! Because you know: there is no honour among thieves... Highly emotional puzzle game with schadenfreude! No down time - everyone is always involved. Collecting cards has never been so exciting. Authors: Christine Alcouffe and Ludovic Maublanc. Design: Christine Alcouffe.
