Product Description

For years, you and your alchemist friends have been trying to transmute simple metals into gold. Now you have finally succeeded. But the experiments continue to refine the formula until you create the purest gold using the perfect combination of elements. Aurum is a competitive stabbing game in which you play alchemists who transform base metals into gold. You earn points by collecting gold and successfully predicting how many stitches you will win. At the end of the game, the player with the most points wins. Important information Caution! Not suitable for children under 36 months.
