Product Description

This cool card game is all about the friendly ruminants! The longer the cows are, which you put together from the front, middle and back parts and discard from your hand, the more points you get at the end. But as everyone knows: one cow makes a moo, many cows make ...! Because the other players are following the same plan. And so, in addition to tactical skill, you also need various action cards, such as "FRANKEN-KUH", "HOLY COW" or "DEJA-MUH", to stay a cow's length ahead of the other players and get some cows off the ice again!- Fun cow card game with crazy illustrations- Unique packaging incl. cow box- Relaxed collecting and annoying fun for familiesAuthor: David YakosGraphics: Gamewright and Game FactoryProduct details- Item number 646229- EAN 7640142762294- Language DE- Number of players 2 - 5- Recommended age 9+- Playing time 20- Product dimensions (W/D/H) in cm10.40/10.40/21.90
