Product Description

Rainforest is a colourful laying game for the whole family. Each player gradually builds their own rainforest. The aim is to place the various jungle tiles in a tactically clever way, collect as many totem animals as possible and secure the valuable bonus tiles. Despite being easy to get into, Rainforest impresses with its depth of play and high replay value! Awarded by the Spielecafe der Generationen, RAINFOREST is particularly suitable for young and old to play together and promises great fun in equal measure!- Colourful family game with high-quality game material- Harmonises jungle tiles and animal markers- Tactical depth despite a quick start to the gameAuthor: Johannes GoupyIllustrator: Alain BoyerProduct details- Item number 646320- EAN 7640142763208- Language DE/FR/IT- Number of players 2 - 4- Recommended age 8+- Playing time 30- Product dimensions (W/D/H) in cm 24.50/5.00/24.50
