Product Description

Immerse yourself in an enchanting world of play and fantasy with Puzzle By Number Unicorn! The box contains 250 colorful Plus-Plus pieces that can be assembled into a captivating unicorn. With Puzzle By Number, you can let your creativity and concentration flourish while simultaneously creating your own masterpiece. Match numbers and colours using the included guide and build your unicorn step by step. When you're done building, you'll be rewarded with a beautiful and colourful unicorn figure. And the best part is that you can take it apart and build it again and again, or you can use the Plus-Plus pieces to create something entirely different. Puzzle By Number Unicorn is not only entertaining, but it's also a fantastic way to develop your fine motor skills, concentration and logical thinking. - Choking hazard, small parts - not suitable for children under 3 years - Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher - Free from endocrine-disrupting substances
