Product Description

Description With Puzzle By Number Chick you can create a cute chicken. Combine the many beautiful colours with their respective numbers and put your plus-plus together piece by piece until you have created the cutest chicken. Puzzle By Number is the perfect mix of puzzle and paint by number. In this box you get 250 Plus-Plus in the most beautiful, bright colours to create your chicken. If you feel like building something else later, you can easily take your Plus-Plus apart and perhaps create a 3D chicken, a butterfly or something completely different. - Choking hazard, small parts - not suitable for children under 3 years- Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher- Free from endocrine disruptors
