Product Description

Our Neon Colour Mix is perfect for young children to explore their creativity. With a whopping 100 BIG pieces, they can create a plethora of amazing and colourful creations that will bring life and joy to their playtime. The box is filled with an explosion of bright colours that instantly catch the eye and create a magical atmosphere. Children can combine the neon-coloured BIG pieces in countless ways and create their own unique works of art. From bright pink to bright yellow and electrifying blue - this world of colour inspires children's imaginations! In a world of colour, there are no limits to the imagination. Children can design and build anything their imagination can come up with - from colourful animals and funny figures to futuristic vehicles and imaginative landscapes. The box is an invitation to explore and create in a world full of vibrant colours. BIG is not only fun to play with, but also promotes children's fine motor skills and spatial thinking. In a playful way, they have the opportunity to improve their creative and problem-solving skills while exploring and learning about colours. Embark on an exciting journey into the world of colours! Give children the gift of a playful experience where they can create a wealth of colourful masterpieces and discover a world of creativity and joy. With 100 neon-coloured BIG pieces, they can open the door to a world of colour explosions and fun that will put a smile on their face every time they play. - BIG has been specially developed for the youngest children and is approved for children aged 1 year and over. Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher. Free from endocrine-disrupting substances
