Product Description

Hear, hear! The princess is waiting for your love letter. But watch out, because the competition is fierce ...- Players 2-6- Age 10+- Minutes 15+In the fast-paced card game Love Letter, you vie for the favour of the princess, who is looking for the perfect partner and confidant for her time as regent of the country. Only those who successfully deliver their love letter to the princess can win her heart. Using the effects of the cards you play, you try to gain information about the other players' hand cards or ensure that they are eliminated. In the end, the player with the highest card or the player who has not yet been eliminated wins. Love Letter is becoming more sustainable and is only available in a cardboard box without plastic from this version onwards. Single game- Publisher: ZMAN- Genre: Deduction & bluffing game, card game- Category: Connoisseur games- Mechanism: Deduction Game content- Character cards 21- Overview cards 6- Favour tiles 13- Cloth bag 1- Game instructions 1
