### Product Description

Our nurse is a real everyday hero! With this tube you can assemble plus-plus piece by piece to create a nurse or doctor. There are also several skin colours included, so you can design your creation however you like. Product information- 100 pieces- Age 1+Our nurse is part of our Everyday Heroes series, which includes a range of products inspired by children's everyday heroes. In the series you will also find our policeman and fireman. What these roles have in common is that they look after us, and many children look up to them. In this tube you will find instructions to make your own nurse - and if you feel like making something else, you can easily take it apart again. Playing with Plus-Plus is easy and fun, and the possibilities are endless. If you need help with more creations, you'll find a wealth of possibilities in our extensive inspiration universe. Here you'll find everything from simple 2D creations to complex 3D figures.- Choking hazard, small parts - not suitable for children under 3 years- Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher- Free from endocrine disruptors
