Product Description

In this tube you will find 240 Plus Plus pieces in bright and exotic colours. Combine the Plus Plus pieces one by one to create everything from cool 3D figures to beautiful flat creations. All our colour mixes are designed to encourage free play. With the inspiration booklet, you'll learn the basic techniques to create your own landscapes, patterns and figures. Product information- 240 pieces Imagine a world full of imaginative creatures, lush plants and exciting adventures. A world where exotic fruits grow and wild animals roam among colourful flowers, plants and trees. This inspired us to create our Jungle Colormix. Discover Plus-Plus in green, dark green, apple green, brown, camel and the beautiful coral red. Whether you opt for jungle elements or something completely different is entirely up to you. Once you've learned the basic techniques from the inspiration booklet, you can easily dive into the beautiful jungle colours and create anything that comes to mind. The most important thing is to let your imagination run wild and create at your own pace. Plus-Plus pieces are easy to handle and assemble, making them fun to play with for both children and adults. Whether you're an experienced builder or a beginner, you'll love exploring the jungle universe with Plus-Plus. So embark on an adventure into the depths of the jungle and experience the magic that awaits you when you let yourself be inspired by the beautiful colour mix. Let play and colour lead you into a world of fun and creativity and let your inner explorer come out as you create your own world from Plus-Plus pieces. - Choking hazard, small parts - not suitable for children under 3 years- Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher- Free from endocrine disruptors
