## Product Description

Challenge puzzles from Ravensburger are a must for all puzzle fans looking for a real challenge: Mouldy motifs in 1000 pieces put concentration, endurance and dexterity to the test and are also great fun! Whether with Darth Vader and the clone warriors from Star Wars, Pikachu & Co. or small-scale hidden object pictures made of buttons or glitter - these challenges are the perfect workout for all brain joggers and professional inventors! Ravensburger puzzles mean puzzle fun in premium quality. They are backed by decades of experience in puzzle production and high quality standards for materials, motifs and design. For example, the characteristic puzzle pieces are produced using punching tools that are still manufactured with the utmost watchmaking precision in Ravensburg in Upper Swabia. This passion for quality, attention to detail and a huge selection of motifs make Ravensburger puzzles so unique and guarantee an unforgettable puzzle experience. From beginners to professionals: every puzzle lover will find the perfect puzzle here! Details-ltem number: 12000593 - EAN: 4005555005933 WarningsNo warnings required.
