Product Description

The "Scandinavian Places" collection shows the rugged beauty of Scandinavia. Scandinavia fans can not only discover the unique nature and picturesque houses in the far north on 1000 pieces, but now also on 500 pieces! Lovingly selected photographs show colourful boathouses, spectacular northern lights and beautiful harbour towns that will make the hearts of puzzlers beat faster. The expansion of the "Scandinavian Places" collection from Ravensburger now also shows the beauty of Northern Europe on 500 puzzle pieces. Whether Sweden, Norway or Denmark: there is the right motif for every lover of rugged nature and for fans of cosy Swedish cottages, where you can dream yourself away to the northern climes in 1000 or 500 pieces. Ravensburger Puzzle means puzzle fun in premium quality. This is backed by decades of experience in puzzle production, hand-made punching tools and a high standard of material, motif and design. This passion for quality and attention to detail is what makes Ravensburger puzzles so unique and guarantees an unforgettable puzzle experience.
