Product Description

Attention Pokémon fans! The most popular Pokémon are now available on a Ravensburger 3D puzzle ball! This three-dimensional puzzle ball is the perfect decoration for any Pokémon fan's room. In addition to Pikachu, there are many other small and large Pokémons to discover on the puzzle ball. This makes for the ultimate puzzle fun. This sturdy 3D puzzle ball is created piece by piece from curved plastic puzzle pieces that fit together perfectly thanks to EasyClick Technology, without any gluing. The numbering of the pieces on the back makes pre-sorting easier and enables simple puzzling by number. Details- Item number: 11785 - EAN: 4005556117857 WarningsCaution.
