Product Description

The Altered® Expedition Soft Box is the all-in-one budget-friendly solution for players of the exciting TCG. This full color printed and officially licensed deck box is packed with ingenious features. It protects a full double-sleeved deck of cards and includes an innovative token box! This token box has a smart click-lock mechanism to keep all tokens safely stored – even while pulling it out. Once opened, the lid of the box stays upright for convenient access during gameplay. The Expedition Soft Box is equipped with Gamegenic's very own Cobra Neck-Technology: the lid can be opened more than 180° for easy access. Additionally, it comes with a self-locking lid and write-on-strip. The separator inside ensures that the deck stays in place, even when the token box is removed. The Altered® Expedition Soft Box is a must-have for all Altered®, TCG, and LCG players.- OFFICIALLY LICENSED FOR ALTERED TCG: Step up your game with the Altered Expedition Soft Box, a budget-friendly, officially licensed deck box designed for the highly anticipated TCG. Perfect for Altered enthusiasts and players of various card games.- ALL-IN-ONE STORAGE SOLUTION: Safely store one complete deck of 50 double-sleeved cards alongside your gaming accessories. Includes a unique token box with a smart click-lock mechanism, ensuring your tokens are secure and easily accessible during gameplay.- INNOVATIVE DESIGN FEATURES: Equipped with Gamegenic's exclusive Cobra Neck-Technology, the box lid opens over 180° for hassle-free access. The self-locking lid and write-on strip offer added convenience and organization for avid gamers.- DURABLE AND PRACTICAL: Crafted with strong welding points and made from acid-free, PVC-free materials, this deck box is built to last. The internal separator keeps your deck in place, even when accessing the token box, ensuring nothing gets out of order.- STUNNING FULL-ART PRINTS: The amazing Trial by Frost design features vibrant, full-color artwork from the Altered game. Not just a functional storage option, but also a stylish accessory that reflects your passion for the game.
