Product Description

The city continues to descend into chaos and the fearless investigators are not the only ones searching for the secrets of the Necronomicon. The chaos cult does not want to banish the Great Old One, but to pay homage to him. Will the investigators succeed in translating the Necronomicon before it falls into the hands of the cultists? A race against time begins. 1-4 players 14+ Age 45+ minutes Tiny Epic Cthulhu - Cult of Chaos expands the basic game to include the menacing Cult of Chaos, which, unlike the investigators, is not interested in banishing the Great Old One. Instead, the cult wants to utilise the Necronomicon to plunge the world into chaos. Enter the battle for the portals once again and thwart the cult's sinister plans before it's too late. This expansion offers you 4 new investigators and 4 Great Old Ones with their own special abilities. There are also new location tableaus for even more variety. In the new solo mode, you can try your hand as a cultist and pay homage to Cthulhu. Only playable with the base game Tiny Epic Cthulhu.
