Product Description

Long ago, the outer quadrant flourished. But our ancestors left behind unresolved conflicts - and I fear we are no better. We vie for power at the edge of the galaxy. Can we prevent the collapse? Can we create something new? Arcs is a fantastic sci-fi strategy game for 2-4 players, set in a dark yet humorous universe. Get ready for dramatic twists and turns as you immerse yourself in this galactic conflict!- Take the initiative. Execute your actions with multifunctional cards: Copy the Primus, switch to new tactics or seize the initiative yourself next turn. Good timing is everything.- Follow your ambitions. In each game, you set your own goals and everything revolves around them.- Destroy your enemies. Gather your fleet before battle and plan your strategy with three types of dice that instantly show the battle result!Each game contains 100 wooden spaceships and agents, 18 engraved special dice, a beautiful six-part game board and numerous cards with over 60 unique, artistic illustrations.
