Product Description

Arcs gets an innovative & exciting campaign! In a three-part game series, you lead your factions through an epic science fiction saga where every decision counts! A galaxy of possibilities: Explore 24 destinies, each with a unique set of cards and game pieces. Will you lead the guilds to take control or try to build a new community as a founder? Asymmetry: Develop your own identity over the course of the trilogy. A failed imperial administrator may be tempted to become a fearsome planet destroyer. Each combination offers new narrative and strategic possibilities! Well thought-out storage: The box offers space for the base game, including sleeved cards. It also includes removable trays for easy storage of campaign progress between game sessions. Contents: 300+ cards, 15 Imperial ships, 4 flagships and game boards, 2 customised event dice, 160+ tokens, 2 game aids, 1 game log pad.
