### Product Description

Supermoon is the first expansion for Planet Unknown. You can combine the new modules (Supermoon, Rescue Tiles, Bonus Tiles) as you wish and add them to your base game, both in multiplayer and solo mode. The new special corporation and special planet offer plenty of variety and new challenges. The expansion also contains new population cards and events to keep your games varied and a cover for the space station. Important notes: Warning! Not suitable for children under 36 months.
