Product Description

The popular characters from the Super Mario games are included as picture cards in Super Mario memory®: Luigi, Yoshi, Donkey Kong, Princess Peach, Toad, Bowser and of course Mario! The aim is to win the most pairs of cards. To do this, the players have to memorise where the two identical cards are. Whoever collects the most pairs at the end wins the game. memory® guarantees fun for the whole family and playfully promotes memory, concentration and memorisation skills. "It's-a-me, Mario!" Many characters from the Super Mario universe are included in Super Mario memory® from Ravensburger. Players discover Mario, his friends and adversaries as well as coins and mushrooms on the 64 picture cards. The rules of the game are ingeniously simple: all the picture cards are face down on the table. On your turn, you turn over two cards. If they show the same picture, the player wins the pair of cards. If they are different pictures, the cards are turned over again in the same place. Concentration and memory are required to memorise the position of the cards with the same picture and to find the most pairs of cards. memory®, the well-known classic memory game, trains memory and concentration. Fun for the whole family is guaranteed, because the little ones often win against the grown-ups with their excellent picture memory!
