Product Description

Happy birthday! The Ravensburger memory game moments memory® Happy Birthday is a very special birthday present. 48 colourful picture motifs wish you all the best and invite you to play lots of happy games. You always have to find two cards with the same picture. Whoever finds the most pairs wins the game at the end. The popular memory and search game moments memory® Happy Birthday is the ideal gift to give children and adults a special treat. The 48 picture cards show motifs of things that should not be missing at any birthday party. For example, candles, delicious cakes and muffins, colourfully wrapped presents and funny horns. It makes you want to join in the celebrations. This world-famous classic game has been delighting children and adults alike for decades thanks to its ingeniously simple rules. Players set off in search of two identical motifs. Whoever uncovers a matching pair gets to keep it and turn over two more cards. Whoever has collected the most pairs of pictures at the end wins. It is the perfect family game in which the little ones, with their sensational picture memory, are often one step ahead and win against the grown-ups.
