Product Description

Children love the little dog girl Bluey, who has fun adventures with her younger sister Bingo. Bluey fans can discover great pictures of their favourite heroes here. The aim of the game is to win the most pairs of pictures. To do this, the players have to memorise where the two cards with the same picture are. If you uncover a matching pair of pictures, you can keep them and reveal two more cards. Whoever has collected the most pairs at the end wins the game. This popular memory and search game is fun and encourages concentration and memory in a playful way. An ideal gift for all fans of the animated series Bluey. The world-famous memory game memory® has been delighting children and adults aged 3 - 99 for decades. The ingeniously simple rules make it the perfect family game in which the little ones often win against the grown-ups. Details Item number: 22646 EAN: 4005556226467 Warnings No warnings required.
