### Product Description

Step into a picturesque Christmas wonderland with this enchanting 1000-piece jigsaw puzzle. Immerse yourself in the cosy charm of the snow-covered shops, where cheerful townspeople bustle about and spread holiday cheer. In the nearby stable, majestic reindeer rest peacefully, adding a touch of magic to the scene. A magnificent Christmas tree stands tall and is decorated with shimmering ornaments and glowing lights. Gathered around the tree, someone is singing Christmas carols while children play happily and their laughter echoes through the air. Over by the sleigh, Santa's helpers are busy loading presents and making sure each gift finds its way to eager recipients around the world. And nearby stands a jolly snowman, carefully built by the children, complete with hat, scarf and carrot nose. With its many details and heart-warming images, this puzzle captures the spirit of Christmas in all its splendour. Get ready to embark on a delightful journey as you piece together this magical scene full of warmth, joy and the timeless magic of Christmas. Our 1000 piece jigsaw puzzles are made from high quality materials and measure 70 x 50cm when complete. Great for adults and ideal puzzles for children aged 12+. Meets all required UK and EU testing standards. World's best selling jigsaw brand - With over 1 billion jigsaws sold, our jigsaws make ideal gifts for women, great gifts for men and fit perfectly on our jigsaw board. Our puzzles use an exclusive, extra-thick cardboard combined with our fine, linen-textured paper to create a glare-free puzzle image and give you the best possible experience. #Positivelypuzzling - From family fun together to long-term health benefits and daily mindful moments, there are so many positive aspects of the simple puzzle! They make a great birthday present or a great Christmas gift. Details- Item number: 12001271 - EAN: 4005555012719 WarningsNo warnings required.
