

Item no.: 404709 Baby animal memory

Item no.: 404709 shipping weight: 0.20 kg Manufacturer: Ravensburger AG

Product Description

Fawn, baby monkey, foal! As soon as the cute little animals appear, they have to disappear again. Until someone makes a good catch with the "twin card" and gets to keep the pair of pictures. The winner is the player who has collected the most pairs of pictures. For beginners, we recommend starting with fewer pairs of cards. Tierkinder memory® is also ideal as a birthday or Christmas present for all animal fans. memory® - the world-famous classic game has been delighting children and adults aged 3-99 for decades. The ingeniously simple rules make it the perfect family game in which the little ones often win against the grown-ups. Details- Item number: 22458 - EAN: 4005556224586 WarningsNo warnings required.
