## Product Description

Tick Tack Bumm: Junior - card game (DE), for 2-12 players, ages 5+

Attention: Who can think of a suitable term for beach? Deck chair, perfect! Now it's time to quickly pass the timer on to the next player in the form of a bomb. This must now also name a suitable word that is in connection with the image on the card ... and the timer continues to tick. But how long will it tick: 10, 20, 30 seconds or even a minute? If the timer stops ticking with a boom, the player who is holding it in his hand at this point has to take the face up card, which is not good at all. Because if you had to take five cards, the game ends and you win if you have the fewest cards. With Tick Tack Bumm Junior from Los Rodriguez creativity, spontaneity and vocabulary are encouraged. The fact that the situation or the place is described on the maps not only in German but also in English and French makes it ideal for language exercises.
