Product Description

Koala, calf, fawn and there must be a baby chimpanzee somewhere... Where was it again? For exciting rounds of games, cute baby animals hide under the cards and get the memories of children and adults going. In this classic Ravensburger game, baby animals make their grand entrance: children of pets, zoo animals and animals from the forest lie face down on the table. Whoever finds the most pairs of cards wins. The exciting search for the matching pairs of pictures gets children's and adults' memories going! The picture cards in this Ravensburger memory® show beautiful photos of cute baby animals: children of pets, zoo animals and animals from the forest. Whoever has a good memory will find the most pairs of cards and win the game. For beginners, it is advisable to start with fewer pairs of cards. Professionals, on the other hand, can even add picture cards from other Ravensburger memory® games! The Tierkinder memory® is ideal as a birthday or Christmas present for all animal lovers. memory® - the world-famous classic game has been delighting children and adults aged 3 - 99 for decades. The ingeniously simple rules make it the perfect family game in which the little ones often win against the grown-ups. Details- Item number: 20879 - EAN: 4005556208791 Warnings No warnings required.
