

Item no.: 404916

Why? Why? Why? Marine animals on the coral reef

from **9,31 EUR**

Item no.: 404916
shipping weight: 0.20 kg
Manufacturer: Ravensburger AG

Product Description

The popular book series Why? Why? Why? is also available as a puzzle! Piece by piece, a colourful coral reef is created from 150 puzzle pieces. Children discover many of the animals that live there while doing the puzzle. A lovingly designed knowledge poster provides interesting information, such as which animals are dangerous or poisonous. Details-Item number: 13411 - EAN: 4005556134113 WarningsNo warnings required.
