Product Description

Why? Why? Why? Vehicles memory® with different pairs of pictures: Unlike the familiar memory game, where identical pictures are searched for, this one is about vehicles and the place where they are used. The tractor wants to plough up the field, a camper van is on its way to the campsite. Each pair of pictures has a typical symbol so that children aged 4 and over can immediately recognise whether they have found the right one. The instructions contain the names and symbols of all pairs of pictures. 24 pairs of pictures need to be discovered with a good memory. Whoever has found the most pairs at the end wins the search game. Young vehicle fans learn a lot about the use of cars, lorries and the like, and the loving, child-friendly graphics provide plenty to talk about for 2 - 8 children. A lovingly illustrated memory® with the popular theme of vehicles is ideal as a birthday or Christmas present. memory® - the world-famous classic game has been delighting children and adults aged 4 - 99 for decades. The ingeniously simple rules make it the perfect family game in which the little ones often win against the grown-ups. Details- Item number: 20647 - EAN: 4005556206476 WarningsNo warnings required.
