from 130,22 EUR

Item no.: 369180
shipping weight: 2.00 kg
Manufacturer: Carson

Product Description

The CARSON Mega Duster 2.0 traverses any terrain! Smaller obstacles and difficult off-road tracks are no problem for the Duster thanks to the high-grip tyres. The impact-resistant and robust body protects the up to 30 km/h fast Mega Duster when driving on rough terrain. The proportional and precise steering as well as the long driving time of up to 25 minutes ensure maximum driving fun! The Duster comes with a 2.4 GHz remote control system and a Li-Ion drive battery and is ready to go immediately after charging. Have fun with the CARSON Mega Duster 2.0.

ATTENTION! Please keep these instructions for any correspondence. Colours and technical specifications are subject to change without notice. Not suitable for children under three years of age. There is a choking hazard due to small parts that may be swallowed! Use under direct adult supervision. Adult assistance is required to remove the transport locks.
