### Product Description

Carrera EVOLUTION is the world's unique analogue race track system with 1:24 scale tracks and 1:32 scale vehicles. Buy race track sets, cool cars, spare parts and accessories directly from Carrera now! This is where young and old racing drivers come together: Children aged 8 and over and adults do their laps on the Carrera EVOLUTION tracks. Thanks to the 1:32 scale slot car and 1:24 scale tracks, there is plenty of space for cool drifts around the bends. With the proven analogue technology, 2 cars can compete against each other per track section on the Carrera EVOLUTION track. The EVOLUTION track also offers enormous expansion options. The track can be expanded into a real race track with a large selection of track parts and accessories. - BMW M1 Procar "Jägermeister Racing Team, No.1" - EVOLUTION - Front and rear lights - Original BMW licence - Scale 1:32 - From 8 years old
