Product Description

Too-Too Catch, Dice Game, for 2-5 Players, from 4 Years

The players throw both color dice and place wagons against the locomotives, so that the trains become longer and longer. As soon as a color combination appears that appears in one of the trains, the wild ride starts right away. Whoever recognizes the combination first is allowed to grab the locomotive cube and throw the dice. If the locomotive appears, you have won the carriages and the train starts moving.

The children learn to assign colors correctly. It is also about recognizing color combinations quickly and being the first to react. Whoever has collected the most wagons is the winner!

Attention! Not suitable for children under 36 months. Legal age: 4

- Player: 2 to 5 Players, from 4 Years
