📄 Product Description

Coloured motif lines: More colouring fun & a more beautiful result!Thanks to the coloured motif lines, children can recognise the entire motif of cute baby animals and the colours more quickly. The brush has a good guide and creates a perfect picture.The beautiful motifs for colouring in are a great gift idea for children aged 9 and over and make a lovely decoration. This colouring set already contains 15 ready-mixed acrylic paints. Packaging design may vary. With Ravensburger colouring by numbers, children learn to carefully colour in areas, improve their painting skills and develop fine motor skills. The end result is joy, pride and a sense of achievement that awakens the desire to continue painting.The motifs are age-appropriate in three levels of difficulty: from simple pictures with few, large painting areas to pictures with many, small painting areas for advanced painters.Each painting set contains everything artists need to paint and there is no need to mix the colours. In addition to the colouring board and brushes, this painting set also includes a great sticker sheet on the theme of horses. It can be used to decorate letters, cards or invitations.The Ravensburger paint by number programme offers a large selection of motifs for children and adults.
