### Product Description

With the Ravensburger Xoomy Midi, children aged 6 and over can easily learn to draw their own stories and cute animals. Thanks to the new light table and the LED zoom lamp, children can easily project the desired motif onto the paper. There are over 30 motifs to choose from to draw their own cartoons and create fantastic worlds. The entire colouring set with pencil, 10 sheets of paper, 20 motif foils and zoom lamp can be conveniently stored in the case and taken along when travelling. Bring characters to life and draw exciting stories: With the new Xoomy Midi drawing case from Ravensburger, every child aged 6 and over can become a drawing pro - even when travelling. With the LED zoom lamp, it's child's play to project the desired motifs onto the paper and create their own stories and fantastic worlds on white paper. Would a child like to invent their own scenes and learn to draw faces and animals? With the Xoomy Maxi from Ravensburger, it's easy. The Xoomy Midi comes in a handy case set containing all the necessary utensils. With the Ravensburger Xoomy series Maxi, Midi and the extension sets for endless drawing fun.
