Product Description

DSA5 playing card set - animal companions, deluxe (DE), 154 cards

The set contains all animals from Aventurian animal companions as well as advantages and disadvantages, special skills and new familiar tricks. The newly designed, large-format cards contain all of the animals' relevant play values so that they can be used directly in the game as a master.

Warning! Not suitable for children under 36 months.

The set of rules is required! As well as Aventurian animal companions and advantages and disadvantages.

- Volume: 154 cards
