Product Description

Blaze - Card game, for 3-5 players, from 10 years (DE Edition)

Blaze is based on the classic, world-known card game originating from Russia called Durak. In Blaze, the players try to get rid of their cards, but have to achieve this in an extremely clever and unusual way. The player whose turn it is plays together with the second next player, which leads to constantly changing alliances. In the end, the player who collects the most feathers wins.

Blaze is in series with Spicy, our card game recommended by Game of the Year 2020, and the follow-up titles Coyote and Anansi. Game box and card backs are decorated with a special metallic print: While the box is in green metallic, the card backs shimmer in all the colors of the rainbow, just like the firebird.

Attention! Not suitable for children under 36 months. Legal minimum age: 10, legal maximum age: 99

- Number of players: 3-5
