Product Description

Something is not right in Hadley's Hope. The gloomy corridors show clear traces of a very unequal battle. Flickering fluorescent lights and sparking cables cast an unsteady light on the carnage. Debris is strewn everywhere, broken furniture piled into makeshift barricades. ... but where are the human remains? Not a body to be found ... You have been sent by the Colonial Marines to enter Hadley's Hope armed to the teeth and find answers ... maybe even survivors... survivors. You'll have to stick together, stay calm and trust your comrades to keep the alien hordes at bay and bring the mission to fruition.

"Okay, sweethearts. We are a team. We are well trained and well prepared. We come, we see, and we kick alien ass. Got it?"- Apone
