## New Hong Kong Story - CP Drone Manual (unofficial)

from **5,36 EUR**

Item no.: 366589  
shipping weight: 0.10 kg  
Manufacturer: Black Mask Verlag

### Product Description

The Drone Manual is an extension of the unofficial Cyberpunk setting. It contains a summary of the rules described in the setting for controlling drones and using their sensors and armament in the role-play and, in the second part, a catalogue with descriptions and values of 13 individual drones.

Caution. Not suitable for children under 36 months.

The drone manual has 40 pages in 25x19 cm format.
