Product Description

Designed and developed with the hobby community, Speedpaint now includes 90 colours, industry-first single-coat metallic paints and an advanced formulation for speed and performance to meet the needs of painters of all experience levels.

Simply apply one coat of Speedpaint directly to a white primed miniature and you're done! Speedpaint instantly creates intense shading, vibrant colour and a highlight effect in just one application.

Speedpaint 2.0 is also a great solution for quick base coats! Once your Speedpaint is dry, you can start highlighting with acrylics in minutes instead of hours. Thanks to its speed, ease of use and vibrant colours, this versatile paint palette will undoubtedly help you spend more time playing.

Attention: not suitable for children under 36 months!
