Product Description

The all-in-one Speedpaint is a true one-coat painting solution. Compared to its predecessor, the new Mega Set 2.0 features a new formula, an expanded colour palette with 45 new colours and introduces Speedpaint Metallics for the first time ever!

In total, Speedpaint Mega Set 2.0 contains 46 colours, 3 metallics and 1 Speedpaint Medium - 50 bottles in all - so you can paint beautiful tabletop-quality miniatures in no time! Simply apply a rich coat of Speedpaint directly to a primed miniature and you're done. Proven, high-quality heavy pigments are used for all colours.

Combined with an innovative resin medium solution that flows perfectly over your miniatures, the result is an unparalleled painting solution that helps you have more time to play.

Caution. Not suitable for children under 36 months.
