Product Description

Acrylic marker set The Desert Kingdom A battle with several participants can be a confusing affair. So that neither player nor game master lose track of the situation, we offer you acrylic marker sets with which you can depict the positions of the combatants in order to keep conflicts and other scenes clear. If two markers are close together on a game board, the corresponding combatants are within range for close combat. This set contains acrylic markers for all 9 professions and 9 creature types of the bestiary from the regional game aid The Desert Kingdom, which you can use, for example, to depict combat scenes. Caution! Not suitable for children under 36 months.

Included are:- the Mawdli, a Novadian jurist (1x)- the Order Warrior of the Hadjinim (1x)- the AlBeni, a Novadian clan warrior (1x)- the Mherwede Grey Mage (1x)- the Dervish, a mystic spell bard (1x)- the Anach-Nür, a Ferkina animist (1x)- the Rahkisa, a magic dancer (1x)- the Beni-Geraut-Schie wanderer, a desert elf (1x)- the Nuranshâr, a Ferkina shaman (1x)- the Ferkina pony (2x)- the desert scorpion (1x)- the cave dragon (1x)- the camel (2x)- the Khôm vulture (2x)- the Khorams beast (4x)- the rattlesnake (1x)- the sand lion (4x)- the Shadif steed (2x)
