## Product Description

Down in the valleys of the Black Sickle, things are not as dangerous as the name of the mountain range suggests. So why not take a leisurely stroll to the forest tavern to meet your friends? After all, you don't have to leave the forest path if you don't care about adventures, mysterious underground lakes or magical treasures.

"The Black Sickle", is a solo adventure for warriors, roamers, adventurers or dwarves of experience level 14.

Caution. Not suitable for children under 36 months.
